

Gap Year

2016 Academic Boot Camp For the 2015 school leavers

Purpose

This is a program designed to help the student in various ways which include;

- Discover and understand self and purpose
- Handle freedom and transition to independence
- Learn academic and life survival skills that they will carry for life
- Learn communication, writing and people skills
- Confidence building in every area of life
- Strengthen their relationship with God and know His will

FOCUS

The program focuses on the following;

Identity formation; focuses on equipping the students physically and emotionally while emphasizing holistic wellbeing.

Academic skills; the purpose is to help students develop specific academic skills that will assist them in their university academic endeavors

Survival skills; the purpose is to help students learn how to survive in any part of the world without dependence on parents and guardians.

Spiritual formation; to help students draw closer to their maker in whom their lives consist, the God of their destiny whose desire is to see them succeed in life.
